Media Center for Qingdao Multinationals Summit

October 2019

## **Qingdao: an Open, Modern, Dynamic and Stylish International Metropolis**

### **An Open City**

In June 2018, the 18th Meeting of the Council of Heads of State of Member States of the Shanghai Cooperation Organization (SCO) was successfully held in Qingdao. It impressed the world with “world standard, Chinese manner, Shandong style and Qingdao characteristic”, showcased Qingdao’s openness and won worldwide praise.

In July 2019, the central committee for deepening overall reform officially adopted the overall plan for the construction of China-SCO Local Economic and Trade Cooperation Demonstration Area in Qingdao, which promotes Qingdao’s role in creating a new platform for international cooperation under the Belt and Road Initiative.

In August 2019, the China (Shandong) Pilot Free Trade Zone was officially launched. As the largest area of the Shandong Pilot FTZ, Qingdao Area plays the key role in reform and innovation pilots.

As one of the first opening-up cities in the coastal areas of China, Qingdao has established economic partnerships with 98 cities around the world and conducted economic and trade exchanges with 216 countries and regions.

The city is home to the Port of Qingdao, the world’s sixth largest port, and the 4F-class Qingdao Jiaodong International Airport which will soon be completed and put into operation.

The city will strive to build a new important strategic pivot for the country’s deepening reforms in the north of the Yangtze River.

### **A Modern City**

A coastal central city in China, and a famous modern cultural city.

Qingdao’s GDP exceeded 1.2 trillion yuan in 2018.

The city boasts a large, sophisticated and complete industrial system.

Qingdao ranked 29th in 2019 Global Financial Centres Index (GFCI)

The city continues to deepen the construction of a market-oriented, law-based, professional, open, service-oriented and efficient governance environment, and strives to create first-class business environment in China.

### **A Dynamic City**

With a solid foundation for scientific research, Qingdao has great potential in innovation capacity and is full of vitality for innovation-driven development.

Qingdao has nine national key laboratories, 25 universities, 193 provincial and above-level enterprise technology centers, 292 engineering technology research centers and 3,112 high-tech enterprises.

The city’s comprehensive capability for innovation in marine science and technology is second to none in the country.

In May 2019, the 2019 Global (Qingdao) Venture Capital Conference was successfully held in Qingdao, focusing on creating a global venture capital center.

### **A Stylish City**

A blend of mountains, sea, bays and city, Qingdao

boasts picturesque landscapes featuring red tiles, green trees, blue sea and azure sky, and is reputed as “Eastern Switzerland.”

With a stylish urban gene, the city has formed its unique fashionable urban character.

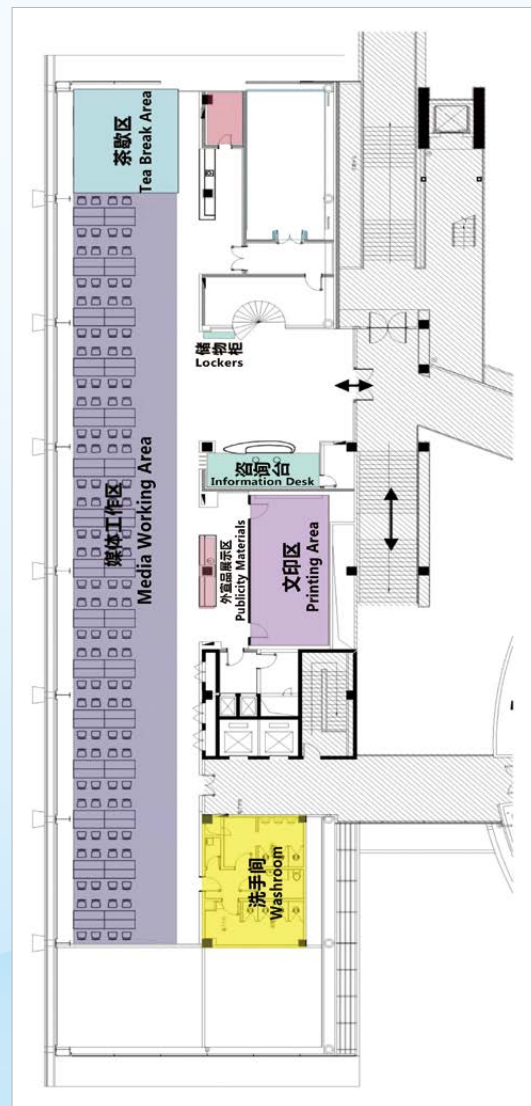

It also enjoys the reputation of a “City of Film,” “City of Beer” and “Sailing City.”

Qingdao has been listed among “Top Ten Most Attractive Cities in the Eyes of Foreign Talents” for eight consecutive years.

Investing in Qingdao is to invest in the national strategy. To start businesses in Qingdao is to stand at the forefront of China’s opening-up and development!

Welcome to the open, modern, dynamic and stylish metropolis of Qingdao!
